- **WHAT'S NEW:** Inspired by our bakery cookies, these NEW cookies are smaller and chewier than the Milk Bar cookies you might already know. About a third of the size of our traditional bakery & care package cookies, these cookies measure about 2" in diameter, packed in four neat little 2-packs for anytime, anywhere snacking. Each carton contains 8 cookies.
- **CHEWY COOKIE:** Remember chewy Chips Ahoy? These are our soft-baked ode to the childhood favorite (with a Milk Bar twist).
- **MEET COMPOST:** The Compost Cookie takes all the snacks in the pantry and turns them into munchle gold: potato chips, pretzels, coffee, oats, butterscotch, and chocolate chips.
- **PREMIUM INGREDIENTS:** We use fancy butter and premium, all-natural ingredients in all our products — suitable for vegetarians with no artificial flavors, colors, or ingredients.
- **ABOUT MILK BAR:** We're an American-style bakery first founded in 2008 in NYC's East Village by Chef Christina Tosi. We make mind-blowing treats using familiar flavors in unexpected ways (think potato chips in a cookie) and rewrite the rules on nostalgic treats (think the best made-from-scratch Birthday Cake you've ever tasted). We've got stores all across North America, and we ship our treats anywhere in the USA.
