Convenient and Easy

When you ask a friend or family member for a ride to and after surgery, you may find you have to go through several rounds of asking to find someone available for your particular time and day. What if you had secure transportation at the early hour you needed it, and as soon as the hospital clears you to go home.

Same-day surgery transportation across the country, Hawaii, and Puerto Rico.

- Ability to arrange outpatient transportation for a loved one who lives far from you
 - Call center hours from 7 am to 7 pm, with chat services available
 - Multi-lingual staff for 100 languages
- Constant contact with nurse's station for updated outpatient information
- Same-day pick-up service

Who Does Serve?

Patients

Many surgeries require someone to sign out the patient before leaving. In addition to driving, Amera's team of CNAs will coordinate with the facility, assist the patient to and from the vehicle and into their home.

Healthcare Facilities

Outpatient surgery centers know that transportation can often be a challenge for patients. Amera provides the medical team with a reliable and trusted solution to coordinate with their patients.

Patients' Families

No one wants to be a burden. Amera is the solution when a ride is needed home from a day surgery appointment, so family is not inconvenienced.
