Product Description

Explore, provide you with easier lifestyle

kiorziesk 14 - 15.6 inch protective cover

This lightweight and carefully designed sleeve box not only protects your laptop from unnecessary harm, but also allows you to organize well, and you are in progress.

Professional design, quality materials and exquisite workmanship, ensuring the fashion of protective suit, and highly protect your laptop and accessories.

For convenience, front pocket design

In addition to the main compartment of your laptop, a compact and practical front bag is designed for pen, mobile phones, cables, chargers, and other accessories.

There is no bad stall in your bag to make you more precious time.

Anti-leakage

Canvas outer layer with waterproof polyester, resist water, dust, dirt and scratches. No longer worried about accidental leakage.

Shocking room

Soft lining and foam pads offer 360 ° for your laptop / tablet, no need to add any weight; fully protect your equipment from scratch, dents, bumps and shocks.

Easy to carry

The top scalable handle design allows you to easily carry your laptop, or you can take your handle into a briefcase, backpack or any other larger bag; it is very suitable for business, school and travel.
