These are made of plastic, not an issue for me. It's nicer thick plastic. The labels are super cute and it came with two extra another soap one and one for lotion.

Got these in the mail (I got mine in white) and they look exactly like picture. They come packaged pretty good and everything was included in the box along with two other labels like they say. It is that hard plastic so unless you beat it in or something, these should definitely last you and not bend or dent. Over all love it.
