canvas

rubber sole

【Comfortable to wear】 Sleep Headphones Women's High Top Canvas Footwear is made of canvas upper, which feels breathable when wearing. Canvas shoes reinforce and soften the heel so they won't rub your feet and won't get tired from walking or running.

【Classic Style】 The toe cap and heel have a rubber mold structure to enhance the protection of your feet. Lace-up shoes are timeless, they are more youthful and lively, free and cute, and suitable for all year round. It is a good choice for back-to-back school gifts. The high-top design protects the ankle well.

【Non-Slip】 Women's high-top canvas Footwear features durable rubber soles with individual stripes on the bottom for enhanced friction and grip, non-slip and soft.

【Suitable Occasion】 : Classic canvas shoes are easy to match with casual clothes, jeans, shorts, skirts, etc. A great choice for office work, at home, shopping or for parties, excursions and travel, etc.
