

THE IMPACT OF YOUR LEGACY GIFT

A legacy gift to Can Do MS is one of the best ways to ensure that families living with MS continue to receive the life-long support they need. It's vitally important that our health and wellness education, coaching, and medical expertise are delivered entirely free of charge to every family so that relief from the struggle is significant, tangible, and immediate.

Can Do MS is a beacon of hope for families living with MS. They are a support system you can lean on and a community that will uplift each other. It's incredibly emotional and inspirational to see lives changed through these programs. I am honored to join the Founding 40 and carry on my father's legacy and commitment to helping people live their best lives.

THE 40x40 CAMPAIGN

As Can Do MS moves toward its 40th anniversary in 2024, we remain committed to this singular purpose:

Every family living with MS must have the opportunity to thrive with access to exceptional health and wellness education programs, regardless of financial ability.

That's why we created the 40 X 40 Campaign.

Our goal: Galvanize 40 community leaders to include Can Do MS in their estate plans upon our 40th year to fund scholarships. Your gift supports the Can Do Legacy Endowment and strengthens our ability to impact generations of families living with this disease. Taking action on just two simple things will help:

Make a provision in your estate plan for Can Do MS, and thereby, join the Founding 40 philanthropists.
