MAS2

SHIATSU FOOT, CALF & ANKLE MASSAGER

Think of the MAS2 (Masuta II, *mah-su-tah*, meaning "master"), as the great-granddaddy of our foot massagers—upgraded. He's been perfecting his technique for years, and he's ready to take your personal comfort to the next level. The MAS2 is the evolution of the Masuta massager and, we think, the best foot massager available. Featuring five air pressure settings, precision acupressure nodes, gentle heating pads, and a rotating support bar, you'll be ready to massage your feet, ankles, and calves at the perfect angle. This cutting-edge device delivers a complete Shiatsu rolling massage that melts stress throughout your entire body. Experience a great, centering massage in the comfort of your own home. You'll find the Masuta II will be an indispensable part of your daily wellness routine—no matter your age, health or lifestyle.

- ⊗ Foot, calf & ankle massage
- ⊗ 360° rotating handle for full range massage
- ⊗ Adjustable heat, vibration and air pressure settings

MEET THE MASTER

1. FUNCTIONAL

Design style that supports a relaxing and healing massage from foot to calf

2. ADJUSTABLE

Calibrate your ideal heat, pressure, and vibration settings plus a convenient carrying arm that doubles as a support

3. COMFORTABLE

Micro-suede foot and leg protectors you can wash and replace

4. SHIATSU

Pressure point nodes placed according to ancient massage techniques

5. WARMING

Heat mechanism delivers gentle, even heat to relax muscles and improve blood circulation

LIFE WITH MASUTA

The master is at your service. It's easy to set up, simple to adjust and never gets tired. Hop onto your favorite couch or chair and enjoy the benefits of acupressure foot and calf massage anytime you want.

RELAXATION BECOMES ENERGY

Decompress after a long day, enjoy the relief, and discover fresh energy with the Masuta massager. After just 15 minutes with the Masuta, you may just find that the hours 5-9 are more productive than your 9-5.

MAGNETIC REMOTE

Handy wireless magnetic remote makes customizing your settings easy. It attaches magnetically to your device so you won't lose it.

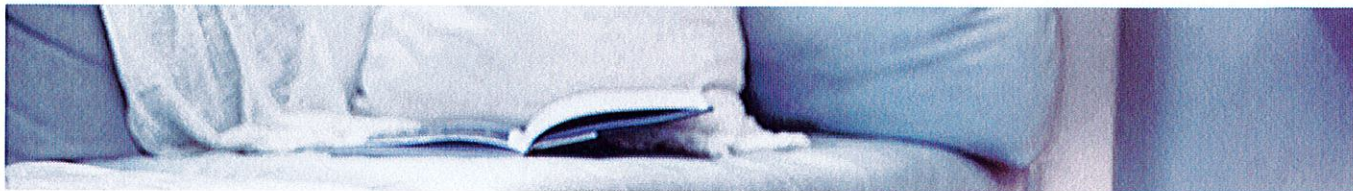

FULLY ADJUSTABLE POSITION

Use the adjustable carrying and positioning arm to reposition the device and target different areas. Get ready to attack sore spots from toe to calf with MAS II acupressure technology.

PREMIUM TOUCHES

The new MAS II features a premium leather finish on the side handles, as well as high-grade nylon removable washable liners.

"Very easy to use. Works great. You get a great foot and calf massage."

LORI EISENBACHER

★★★★★

"The luxury of a professional foot massage in our home!"

MICHELLE RAE BALDERA

★★★★★

"This so far is a great massager for my feet and my calves. Can be intense, however."

HEATHER DANRIDGE

★★★★★
