Yellow---Crystal Flying Butterfly

successThe meaning of the butterfly

Freedom--- Butterflies dance among the flowers, free and unrestrained, symbolizing an enviable pastoral life. This is also the life that everyone yearns for in a modern high-stress society

loveThe meaning of the butterfly

Love --- Butterflies are loyal to lovers and have only one partner in their life. A pair of butterflies expresses the praise of the most true and beautiful pure love. And this kind of crystal butterfly is most suitable to be given to a lover to express one's loyalty to love.

Break the shacklesThe meaning of the butterfly

Break the shackles--- The process of breaking through the cocoon and becoming a butterfly is painful. Only through difficult years can you become a flying butterfly, and humans are the same. Only if you have the courage to break through the shackles and thrive in a difficult environment, you will also spread your wings and soar like a butterfly. A butterfly can always remind yourself to keep fighting, life will never cease, and struggle will never cease. successThe meaning of the butterfly

Success--- The emergence of a butterfly from its cocoon, from ugly to beautiful, is a successful expression.
