TESTIMONIALS

“

Pointing a temperature gun while standing two feet from a customer was intrusive and unsafe, Safe Space Scan solved all my problems.

— David S.

“

My customers feel more secure about safety while in all my 9 stores when I'm using the Safe Space Scanner.

— Tony B.

“

Overall, my customers really like what their temperatures are in. Easy set-up and displays in a safe manner.

— Jessica H.
