Description Reviews

HIGH SIMULATION: With 3D realistic looking eyes and pearl powder coating, this swimbait appears very delicate and vivid that in the water, just like little fish swimming. This will cause the target fish to have a strong desire to attack.

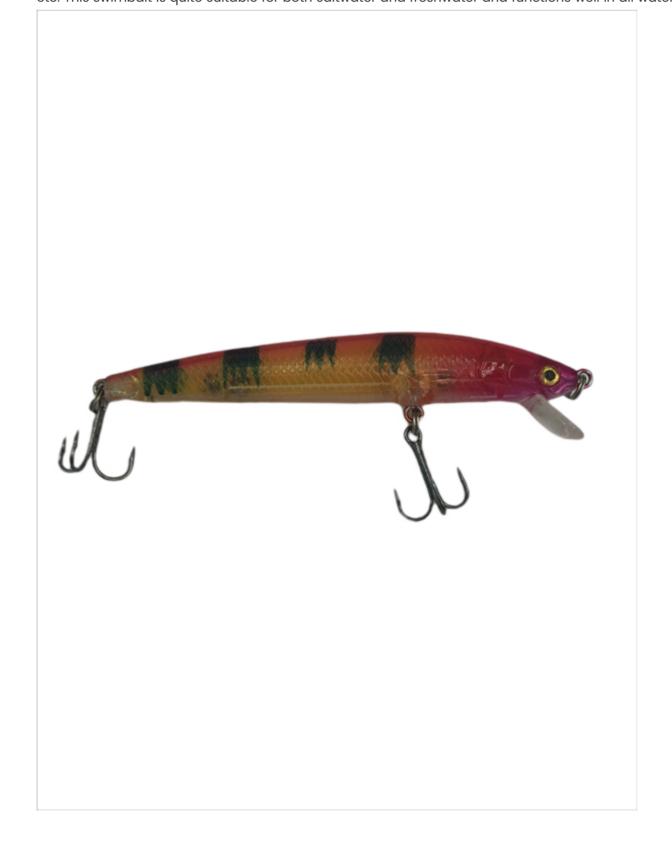

Sharp Hooks: equipped 2 premium sharp hooks, offer the best possible penetration force to make it hard for fish to escape.

WIDELY FISHING SPECIES: This bass fishing lure can be widely used to catch bass, yellow perch, walleye, pike, muskie, roach, trout, snook. salmon etc. This swimbait is quite suitable for both saltwater and freshwater and functions well in all water layers.
