Integrity® Collection

With the Jason Integrity® Collection, builders and re-modelers get Jason quality at an exceptional value. They can choose from Soaking, AirMasseur® and Whirlpool baths in select colors, shapes and sizes. Plus Jason engineers have made the installer's job easier. Our Level-Form™ base is pre-leveled, easy to install and requires no grouting.

Features

- ▶ Quiet Design Engineering
- ▶ Ergonomic design/ideal well depth
- ▶ Sani-Design technology
- ▶ Flow-adjustable, directional jets on Whirlpool baths
- ▶ One flow-adjustable, rotating, Ultrassage back jet on Whirlpool baths
- ▶ Two flow-adjustable foot jets on end drain, Whirlpool baths
- ▶ Level-Form base for easy installation
