- [Waterproof design] It is made of 600D Oxford cloth and has a customized PVC inner coating, with a tear-resistant and waterproof design. The roof bag uses a real waterproof zipper to protect your internal items from water damage.
- [Large storage space] CoukouCover car roof bag solves the problem of limited car storage space. The 15-cubic-foot large-capacity roof luggage bag allows you to store more items. Free up space in the car for more comfort.
- [Easy to use] The roof bag is equipped with anti-skid pads, 8 reinforcement straps and 6 door hooks. If your car does not have any roof rails, you can use door hooks to quickly and easily install it on the roof rack of the vehicle within a few minutes.
- [Safety] For safety reasons, 4 reinforcement patches are added between each shoulder strap and bag to increase the connection strength. In addition, it is also equipped with 1 non-slip mat and 2 lashing straps, which can keep the cargo bag in place even on highways or bumpy roads without slipping or scratching your car, allowing you to further secure the cargo bag in place. All measures are to keep the roof bag in place when the vehicle is running at high speed to prevent accidents.
- [General compatibility] The roof bag is suitable for cars or SUVs of any size. It is suitable for cars with/without roof rack.
