About this item

★ **【High-Quality Material】** 5x7 gold frame is made of durable MDF wood and strong shatter-resistant plexiglass. Note: The cover is plexiglass, not real glass. Engineered to withstand damage and falls!

★ **【Multi -function Picture Frame】** Perfectly complements any featured document, certificate, photograph, artful prints, even paintings or posters in a beautiful frame. A great choice for any room in your home, office, work, travel, or as a decoration or holiday gift for your friends and families!

★ **【Convenience and Various Display】** You need to remove the film on both sides of the cover before use. Spring type action to remove the backing quickly and safely. The kickstand on the back for table display . Besides, You can hang the frame on the wall.

Product description

✿ Whether hanging on its own or with other types of frames, the rich rustic color should always be the focal point.

✿ Our premium frames include rich, true-to-life color with archival quality paper — for a museum-worthy collection, right in your own home.
