## About this item

- [breathable and stretchable fabric]: this cotton rich fabric provides one-way stretching and can move with the baby to keep the baby warm and comfortable. This soft, touchable fabric is gentle for your baby's skin. The open weave of plain muslin allows air circulation and reduces the risk of overheating.
- [machine washable]: this baby suit can be machine washable, but please wash it by hand as much as possible. Please follow the attached special care instructions. After washing, it will remain soft and maintain slight elasticity and softness.
- [comfort knitting]: from breathability and naturalness to softness and durability, the advantages of fine cotton baby clothes make you fully convinced that you are doing the best for your baby's comfort.

Please note that due to limitations in photography and the inevitable differences in monitor settings, the colors shown in the photography may not correspond 100% to those in the items themselves.

### PROMPT AND CARING CUSTOMER SERVICE

Highly value customers' satisfaction and tolerate zero quality issue. If you're not thrilled with its performance, please let us know.
