PRODUCT DESCRIPTION

ZoomZoom Automobile windshield sunshades Foldable Car Front Window Sunshade for Most Sedans SUV Truck-Best Auto Heat Shield Reflector Cover-Blocks Max UV Rays and Keeps Your Vehicle Cool-Medium

Effectively block the scorching sun and high temperature: In the hot weather, your car is sitting in the scorching sun to bake, it quickly turns from your favorite city traffic into a huge portable oven, which brings you and your car Trouble. The ZoomZoom 1-Piece windshield shade effectively solves these problems by blocking the scorching ultraviolet rays and heat.

Innovative and improved one-piece design: Our high-quality sun blinds protect your dashboard, steering wheel and seats from overheating. Due to the special cutout on the top, our exclusive sunshade blinds are perfectly suitable for any size or type of rearview mirror. -Very suitable for most standard cars, cars, mid-sized SUVs and regular truck-sized windshields.

High-quality appearance: ZoomZoom hoods are of high-quality, enhanced with improved high-density UV reflective materials, high-strength ductile wires and the latest heat reduction technology. Our sun shade is one of the most innovative and effective sun shade solutions on the market today!

Easy to install and remove: just slide the sun visor into the appropriate position above the dashboard and easily store it in the included travel bag when not in use.

Why Should You Use Car Sun Shade in Summer?

Have you ever opened your car door and went "whoa" and taken a step back from the rush of heat exiting the vehicle?

What about sitting on the burning leather seats and trying to drive with your hands on a hot steering wheel?

Ever feel your child is suffering needlessly in the back seat from the heat?

Yes, that is why you should use a car windshield sunshade. If you've been searching for the best sunshades to protect your vehicle from dangerous UV, summer heat, and sun rays, look no further.

WE'VE GOT YOU COVERED!
