Product description

DocScan, a smart scanner app that turns your device into a portable PDF scanner, can easily convert paper documents and images to PDF/JPG in just one single tap.

Download DocScan and enjoy ALL FEATURES FOR FREE!

Amazing Features:

1. Convert All Kinds of Documents to PDFs

Easily scan & convert all kinds of documents to PDF format in a simple tap - receipts, invoices, notes, documents, photos, business cards, certificates, whiteboards, etc. The scan results can be printed out instantly via Cloud Print.

2. Easily Share Scanned Files

Conveniently share scanned files in PDF or JPEG formats with friends via Email, or post them on social media. Save and view the scanned files anytime, anywhere.

3. Professional Quality Scan Results

Its precise border detecting, smart cropping, and auto enhancing features ensure the PDF outputs clear, sharp, and high-resolution. Multiple filter options are also provided to further optimize the scan results - photo, document, clear, color, black & white.

4. Extract Texts from Images Accurately

The integrated OCR (optical character recognition) technology can precisely recognize and extract texts from papers and images. After extraction, you can edit, copy, search, and share the texts for free.

5. Add E-Signatures

DocScan allows you to add electronic signatures to the scan results. Easily sign your PDFs before sending and printing them!

6. Add Security Watermarks

You can add security watermarks to protect your files. Mark scanned files with customized watermarks at any time!

7. Search Files Quickly

Thanks to its quick search feature, you can quickly find your target files among multiple category folders by entering keywords; its OCR search feature can help you find texts inside notes and images in the shortest time.

8. Easy and Useful File Management Tools

Supports creating subfolders to help you categorize messy documents. Its amazing searching, sorting, and adding notes features can help you quickly find the document you want.

9. Convenient Documents Editing

Add or delete one page or the entire document; adjust the layout of documents; set page sizes of your PDF (Letter, Legal, A4, and more), all are supported!

Coming Soon:

► Add Annotations

The advanced editing feature allows you to add annotations to the scan results. Conveniently review and mark the scanned documents!
