Features easy-access door and built-in bag anchor for easy scooping and cleaning

The Catit Litter Box has a large front opening with door that lifts right up for you to easily replenish the litter. The built-in bag anchor at front is very convenient in keeping the waste bag open as you scoop. The litter box is easy to disassemble for thorough cleaning.

Indispensable features

Integrated odor filter

The carbon filter (sold separately) in the top lid effectively traps and removes foul odors.

Clever design with raised back

The back is considerably higher than the front, as cats usually face the opening of the litter box when urinating.

Built-in overlap mechanism prevents leaks

The overlap mechanism helps prevent leaks caused by urinating or spraying.

Features carrying handle and slider locks

The litter box features a convenient handle for transport and can be secured with slider locks on each side.

The Catit Large Hooded Cat Litter Box, Blue provides privacy while retaining the litter inside the cat litter tray. The covered cat litter box has a two-way plastic door resembling a cat flap makes it easy for indoor cats or outdoor cats to use. The large hood lifts up for easy access for cleaning, while the built-in bag anchor helps keep the cat litter bag open and frees hands for easy scooping. Cats usually turn their head towards the opening of their cat litter enclosure when urinating. That is why it is designed with a raised backside on the litter box; the overlap mechanism design prevents leaks caused by urinating or spraying. The carbon-impregnated filter effectively traps and removes litter box odors (replacement carbon filters cat litter pad sold separately). Other handy features include a carrying handle for easy transport and slider locks for extra security. The pan measures 22.4" by 18.3" by 15.3" and the door opening measures 10.4" by 9.6". ☆☆☆☆☆ Incorrect dimensions

Reviewed in the United States on October 5, 2018

Size: Large Box | Pattern Name: Grey | [Verified Purchase](#)

I purchased this litter box after reviewing the dimensions to be sure it would fit in my intended location.

The dimensions state

"Great for multi-cat households; Pan: 22.4 inches long x 18.3" inches wide x 15.3 inches high; Door

Opening: 10.4 inches high x 9.6 wide"

In reality they have reversed the width and height values.

It is actually

Great for multi-cat households; Pan: 22.4 inches long x 18.3" inches high x 15.3 inches wide;

Unfortunately I need it to be under 17.25" inches high.

Specifications are important.

☆☆☆☆☆ Great litter box for the price

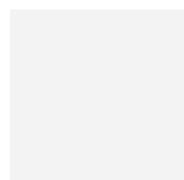

Reviewed in the United States on April 10, 2016

Size: Large Box | Pattern Name: Grey | [Verified Purchase](#)

The CatIt hooded litter box is a great litter box for the price. The plastic is fairly durable. The hood provides privacy for cats and helps keep litter – and odors – in the box. The litter box comes with a replaceable carbon filter to additionally help control odors. The door retracts (see customer image) so you can easily scoop the litter without needing to remove the hood. I do not use liners in the litter box. I use scoopable litter, which I change out every month or so and thoroughly wash the litter box at that time. I own two of these litter boxes and would definitely recommend.

Update: I see some negative reviews about the flimsiness of this litter box. Some of those are from people who try to carry this litter box by the handle when it is full of litter. This is a large litter box and can hold a fair amount of litter, and its latches cannot support that kind of weight. So although this litter box has a handle, I do not recommend lifting the box by the handle when filled with litter.

Final Update, April 2021: After about 5 years, a crack has occurred down one side starting at the latch area. The inside is getting scratched up as well, as our current cats are not declawed. I plan to replace this litter box. When I bought this in 2016, it only cost \$24.99, so I see the price has increased quite a bit.

☆☆☆☆☆ Large hooded box, no smell, easy cleaning

Reviewed in the United States on November 18, 2018

Size: Large Box | Pattern Name: Grey | [Verified Purchase](#)

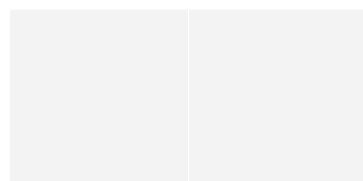

Update March 2019

Using these liners now: Easyology Ziggy Cat Litter Box... <https://www.amazon.com/dp/B01C4OMUNE> They fit, just need to push them into the box shape so they're snug-ish to keep my cat from playing with the bag. Cheaper than nature's miracle and don't smell (nature's miracle was starting to smell after a week or two which was short given the price). Getting a second box for a second kitten. Too small to use one for both I think.

--

This box is large, easy to clean, and doesn't carry a smell. We scoop it every 1-2 days. Litter stays in fairly well but not perfectly as the rug shows. My cat also likes to dash out of the box which carries more litter... The box looks nice enough in a corner and I was surprised by the size, tennis ball for scale. We left the door up the first week till the cat got used to it, now she uses the door fine.

For liners we got Nature's Miracle Disposable Litter Box Jumbo (<https://www.amazon.com/gp/product/B0087Y5OIE>). It fits snug and does not get in the way of the hood or door.

☆☆☆☆☆ GOOD design, AWFUL, flimsy materials

Reviewed in the United States on June 26, 2017

Size: Large Box | Pattern Name: Grey | [Verified Purchase](#)

I love the design of this litter box! Love the option of taking the door off while leaving every other "protective" feature intact. LOVE being able to just flip the top half of the "roof" off to clean inside! Love that there's a little ledge on the bottom that my cat puts all four of his feet on when he makes a poopy and it seems to me this is much more sanitary than were it not there. PLUS, that's just plain CUTE to me that he does that! :-)) However, I returned the first one I bought because the hinges that should lock the top in place were useless. The replacement one was better but still not fully functional as in when you first fill the box and it's heavier than it is as the days go on from repeated scooping the hinges and the locks do not keep the top attached to the bottom of the litter box as it should. NOT acceptable.

Also, the plastic the bottom litter tray is made of is so thin that it does not even sit FLAT on the floor making it difficult to get a completely flat edge between your scoop and the waste (leaving material behind that I am trying to remove). Ewww! :(It has also developed impression marks matching my floor tile pattern apparently just from the weight of the litter in it that has conformed to my flooring. Cheap, flimsy materials but I love the DESIGN so I'm living with it.

★★★★☆ **Not flimsy if you use it correctly!**

Reviewed in the United States on July 29, 2016

Size: Large Box | Pattern Name: Grey | **Verified Purchase**

So far I really like this product. The first one I received was damaged but Amazon quickly replaced it for me. Let me make one thing clear: for all the people complaining of flimsiness, you can't pick the box up by the handle! No litter box should be picked up and carted through your house...you won't like the end result. The box has two "latches" on the side, which won't stand up to hauling the box, but is fine for securing the lid to the bottom. Overall, this is a great product for your money if you use it properly. It is the perfect size for my cat without taking up too much space.

★★★★★ **Great litter box**

Reviewed in the United States on September 21, 2017

Size: Large Box | Pattern Name: Grey | **Verified Purchase**

Great litter box. We have two female cats, both around 6-7lbs, and they have a ton of room inside. I've never smelled any urine when I'm near the box but it does get cleaned at least every other day. The door and ledge help cut back on litter that gets tracked outside of the box. There is still some litter but it's less than half the mess than what our open litter box makes from the cats.

I noticed in some of the reviews people complain about the locks. The locks do their job just fine. You can't pick it up by the handle when it's full of litter and expect the locks to hold the weight; that's just common sense. If you want to carry it when full it needs to be supported from the bottom.

Es gibt 2 Modelle wobei dieses das minderwertige ist. Erkennen kann man es nur an dem Verschluss der Abdeckung. Das erste und bessere hat 4 Verschlüsse und eine gute Materialstärke was es ermöglicht auch das befühlte Klo am oberen Griff zu bewegen. Dieses hier hat nur 2 Verschlüsse und eine geringere Materialstärke. Es ist leichter aber auch nicht besonders stabil. Auf dem Bild auch gut zu erkennen das alte Modell ist größer

Endlich ein Katzenklo, was eine vernünftige Größe für den beliebten und betagten Stubentiger bietet. Die Reinigung ist dank der großen Vorderklappe problemlos! Füllmenge ist schon ordentlich. Auch positiv, das Klo wurde sofort akzeptiert!

Klare Empfehlung von mir

Kleines Update

Nun 1,5 Jahre später mag die alte Katzendame immer noch dieses geräumige Katzenklo. Der Zustand ist noch immer gut und um diesen zu erhalten bedarf es nur einer normalen Pflege. Meine Empfehlung hier zu ist das Streu eines Discounters beginnend und endend mit L_ _ l.

Ce bac est plein de fonctionnalités bien pensées que l'ont voit rarement sur des produits de cette gamme:

- La porte, large et transparente, offre de la luminosité et du confort pour que le chat y rentre
- le bac est profond et empeche la litiere d'etre trop proche du bord du bac, limite les odeurs.
- Les loquets de sécurité pour verrouiller le couvercle à la base sont bien pensés et permettent de déplacer le bac facilement. (Je déplace souvent le bac entre 2 maisons).
- Il est possible de soulever et rabattre la porte sur le toit (avec toute la partie bleue du toit) afin d'avoir un accès facile et large à la litiere (pratique pour nettoyer les déchets)
- une large poignée sur le toit
- une grande zone de filtre à charbon qui fait ses preuves. Pas d'odeurs.

Seul inconvénient à prendre en compte surtout si vous avez de petits chats: La porte est assez haute et il sera plus difficile pour un chaton/ petit chat d'entrer dans le bac.

Très bon produit

★★★★☆ **This provided 4 years of privacy and roomy toilet space**

Reviewed in the United Kingdom on February 12, 2018

Size: Large Box | Pattern Name: Blue & White | **Verified Purchase**

I have used this litter tray (my cat rather) for about 4 years.

It has held up fairly well, but now it is time to update for a new one.

My experience (or my cat's) with it has been good. It is quite spacious, and provides space to do your business. Control of odours is average, nothing groundbreaking, but I think it is mostly the job of the actual litter rather than the litter box. The flip door does the job, and shuts fine.

I had to design a small "grid" to protect the top filter, because Mandu (the cat) kept on biting it and pulling it out.

It is fairly easy to clean, but that "lip" in the lid (where you can attach a plastic bag when emptying the litter) is a bit of a pain, and I would personally like to see it gone, because it is not used that much, and provides potential extra "sharp" edges, and extra edges to clean.

The hood clips are a bit flimsy, and you have to be careful and gently when moving the tray by the handle (if litter is in it), so they don't unclip or even break. But I do not move the litter box around too much anyway.

★★★★★ **The best cat litter I have found**

Reviewed in the United Kingdom on August 29, 2017

Size: Large Box | Pattern Name: Pink & White | **Verified Purchase**

The best cat litter I have found! Having tried a few cat litters before I found this one, I had a big problem with all the litter on the floor. It doesn't do miracles because cats are all over the place and they still manage to take some litter particles out of the box when they get out of it, but it's less messy!!! Keeps the smell away as well!!! Both of my cats love it - it took a while to manage to get out using the small door, but they figured it out at the end.

It is very big, so it also suits an owner of 2 cats.
