Description

Our new Odyssey compression rashguard may look cool, but it will keep you even cooler. Origin's new WarpWick® performance knitted textile features 360 degree stretch. Knit in New England, WarpWick® is soil releasing, abrasion resistant, and moisture wicking. The Odyssey shirt is crafted to stay tucked in, and map to your body. It comes off your body as easy as it goes on. No more fighting with a sweaty rashguard after training. Fully sublimated and manufactured in our Maine-based factory, the Odyssey is truly an American Made icon.

We make our compression shirts from scratch, on-demand. For expedited shipping, please call us.

Very nice, fits small

Posted by KN on Mar 26th 2022

Great item, fits small. I would definitely go a size up. Its compression, but even then buying your actual size it is small. i have to donate it to my son who is smaller than me. Buy a size up and you'll thank me.

Great product and customer service

Posted by John Wiseman on Mar 14th 2022

Absolutely love this rashguard. The fit is great and feels really high quality. The customer service was phenomenal, I need an exchange for a larger size. I sent it in and a new one was sent imedialty. Fulfillment time was earlier than indicated at the time of order. All in all a great product from a great company.

Awesome rashguard!

Posted by Ethan on Feb 16th 2022

Overall this is my absolute favorite rashguard I've every bought, the sizing runs a bit tighter than other brands, id go a size up for future orders.
