I absolutely love Fitglow's Vita Rich Creme! I have been using it for a few years now, every time I run out, I kick myself for not reordering sooner. Every other product I try does not even come close to the results of this product!

**Amazing!!!**  
I LOVE this cream, I am on my third bottle of it. I never stick with something this long, it moisturizes my dry skin but is not heavy and keeps my skin smooth and clear and definitely helps with fine lines.
