This lovely tree skirt is a great buy.

It is well made with soft low pile faux fur & embellished with many sparkling beads & sequins that shine with the lights.

It is evenly sewn with well finished edging and an inner lining with three velcro squares to secure the back slit well.

It also comes with typed instructions for proper care & cleaning which is an appreciated & helpful extra touch.

★★★★★ **Perfect for a 4 foot tree looks just like the picture**

I put this tree together for my granddaughter's 1st birthday on Christmas. I wanted a soft, fluffy, pure white tree skirt for this 4 foot tree and this skirt delivered everything I was hoping for. Keep in mind that it may be too small for any tree over 4 feet tall.

I looks awhile for a tree skirt that I could incorporate Christmas and Coastal and BAM!! THIS IS PERFECT! It is very lightweight but not in a cheap way at all. Its the perfect size and you tie the bows instead of that iffy velcro. I am a very satisfied customer. Cannot wait to start decorating this year. Hopefully it will last many, many more years to come. Thanks so much!!

This tree skirt was perfect for my 6.5' flocked, woodland themed Christmas tree. I had been looking for something for two years and this skirt fit the bill. It's lovely and quite soft, too. Glad to have found it - it completed the look of the tree nicely.

★★★★★ Do not hesitate...

When I first took this out of the package, I was a little worried. Once I laid it out under the tree was a different story. So pretty and the lights bouncing off of the sequins, perfect! Do not hesitate, put it in your cart! 🎄
