Features:

- The yellow black handle fiber hand ax attracts attention with its useful feature.
- It provides a more robust grip thanks to its plastic handle.It minimizes the possibility of the ax being thrown out of your hand.
- It can be easily carried on nature walks due to its lightness.
- Please note: Keep the hatchet away from the children, in case they hurt themselves!

Great tool to use for camping or whenever you want to cut bits of wood for fire. It's lightweight, sharp and just the right size to pack alongside your travel/camping gear.
