XenTper

Dual load cable - Our solution makes adapters last longer - each end of the audio cable has gold plated 3.5 mm and 6 3mm plugs, just plug in according to your needs, no need to find another adapter.

Maximum Comfort - Memory Protein earmuffs made in Germany, designed to disperse pressure and heat build-up, combined with a soft leather headband, provide you with maximum comfort and superior isolation.

Single-side monitor and foldable design - With a reversible housing and a sturdy adjustable headband, the free style and single-side monitor earmuffs rotate flat or flip up to fit neatly into your bag or laptop bag

Suitable - All devices have 3.5 or 6.35mm audio jack. Bass, durable and comfortable. These are the headphones you've been looking for.
