- **Powerful Sonic Cleaning:** The electric toothbrush adopts advanced sonic technology, which can perform powerful and low-noise cleaning by high-frequency fretting. Compared with ordinary toothbrushes, sonic toothbrushes can produce up to 45,000 micro-sonic/min power cleanings, which can bring fluid deep into your teeth, effectively reaching the depths and performing deep cleaning. With the help of our ultrasonic toothbrush, the health of teeth and gums can be improved in just 2 weeks.
- **Long Battery Life & 2 Minutes Timer:** The electric toothbrush adopts a USB charging design and is compatible with any charger or device with a USB port. It can be used for 60 days after 4 hours of full charge, and it can be used for a long time after charging once! And the electric toothbrush has a built-in 2 minute smart timer, which pauses every 30 seconds to remind you to change the brushing area to develop a healthy brushing habit. It will automatically turn off after 2 minutes.
- **3 Brushing Modes:** The electric toothbrush supports 6 ways: cleaning, sensitivity, and gum protection, which can meet your different needs and provide the best oral health care. The IPX7 waterproof function can clean the entire body of the rechargeable electric toothbrush, so you can enjoy the fun of brushing your teeth in the shower.
- **100% Satisfaction Guaranteed:** We believe in our premium quality products. If you have any issues, worries or concerns, Please feel free to contact us in advance. Simply send us a message through Amazon and we'll give you a satisfactory solution. We will resolve your issue within 24 hours. Our products enjoy a one-year warranty, please rest assured to buy.
