When you need automotive services in Houston, TX, the trusted experts here at Adams Automotive are here to help. At our state-of-the-art facility, we offer a full range of auto care including everything from your vehicle's regular services to unexpected repairs. Our ASE certified technicians are experienced and knowledgeable when it comes to all makes and models of vehicles and will be happy to assist you with all of your vehicle's needs.

Here at Adams Automotive, we have remained the trusted choice in Houston and surrounding areas for quality repairs and maintenance since 1980. We offer auto care performed using the latest in automotive equipment, technology, and tools to ensure the highest level of customer satisfaction. When you choose our Houston auto repair shop, you'll always receive excellent workmanship and friendly customer service that is tailored to make your visit as stress-free and convenient as possible.

Staying on top of your vehicle's maintenance is key to a lasting vehicle, which is why we offer a complimentary bumper to bumper inspection with each visit to our shop. Our goal is to catch concerns early-on and verify that your vehicle is safe on the road. If we find any issues, we inform you and let you know when these services should be completed in order to protect your vehicle's integrity. The better you maintain your vehicle, the more money you'll save over time on repairs.

We always go above and beyond here at our shop, which is why our customers continue to rely on our family-owned and operated shop for their whole family's vehicle needs. Not only do we provide the best possible repairs and service, but we also provide a free car wash with every visit. Plus, we offer a complimentary shuttle service, a comfortable waiting area, and an outstanding warranty on all of our repairs which covers you for up to 3 years or 36,000 miles.

If you're looking for reliable car service in Houston, TX, we invite you to bring your vehicle into the experts here at Adams Automotive. Give us a call for any assistance or feel free to schedule your next visit using our online appointment form.
