Product Introduction：

【7 Wells Clear Painting Palettes】This 7-wells transparent palette set is very modern, stylish and generous, including 6 pieces of paint palette for your need, allowing you to separate and mix paint evenly, making painting easier and more convenient.

【Premium Painting Palette】Made from high quality and environmental friendly plastic material, the palette is bpa free, wear-resistant, break-proof, sturdy and can be used repeatedly for a long time.

【Portable and Practical】The paint tray for kids size: 6.69 × 6.69 inch, which is light weight, easy to carry, even for children, it can be easily held. It comes with a smooth surface and is comfortable to hold without getting tired of long time holding.

【Washable and Widely Used】The paint trays set is washable, just clean it with warm soapy water after using, which is more economical and eco-friendly than disposable palettes. It is widely used in sketching, school, studio, painting project, art classes, etc.

【Preferred Gift】This watercolor palettes can be stacked for easy storage and are suitable for traveling or going out for painting and sketching. It is a great birthday gift, Christmas gift or other holiday gift for children, students, friends or painting lovers.
