Material : stainless steel

Brand : Reyeah

Reyeah

Color : Black

Power Source : Battery-powered

Measurement Accuracy : 0.001" / 0.02 mm

- **MULTI-FUNCTION:** This measuring tool has a quick-change button that changes between three measuring modes: inch, fraction, and millimeter to make conversion a snap during measurement.
- **PRECISION:** The electronic measurement range is 0" - 6" and 0 mm – 150 mm with a resolution of 0.0005" / 1/128" / 0.01 mm and an accuracy of 0.001" / 0.02 mm for precise readings in all your measurement needs.
- **QUALITY:** The body of the digital caliper is constructed using finely polished stainless steel with a knurled thumb roller and locking screw that ensures smooth sliding and accurate positioning when taking measurements.
- **VERSATILE:** Calibrate to measure inside, outside, depth and step with two sets of jaws and a probe as a vernier caliper.
- **LARGE SCREEN:** Each digital lcd caliper has an extra-large LCD screen for easy and clear readings for faster efficiency and accuracy on the job or at the worksite
