Hi Janis,

Thanks for reaching out from the Golden Dragonfly Traveling Academy for Art website! I saw your work on the Southern Oregon Artists website, and followed it to your site. Beautiful work.

Maybe we could chat via zoom, and I could give you a tour and answer any questions. I'd love to share the Golden Dragonfly Traveling Academy for Art vision, and maybe I could also get your take on your experience navigating the website? I'm working hard to make it work well for artists, so feedback is always appreciated.

If it's easier for you, you can grab a time on my Calendly calendar: <https://calendly.com/juliaoreilly> If none of those times works, just let me know a time/day. And of course, phone always works.

I'm excited to talk with you! One of the best things about this venture is getting to talk to other artists from all over. I sometimes forget how isolating the studio can be, even as I crave my time there.

Looking forward to talking with you.

Best, Julia
