★★★★★ **Pretty decent chair**

Reviewed in the United States on October 10, 2021

Verified Purchase

What I like the most about this chair is that it's very sturdy. It's solid from the back. Doesn't have just one or two weak metal sticks in the back that's supposed hold the weight of your whole body, this chair can sustain all my weight lol it's wide and has padding on bottom and can even adjust the height. It's wide enough but small enough for the 19" of width I had available on my desk. Great purchase and good price.

★★★★☆ **This is a good chair overall!**

Reviewed in the United States on September 3, 2021

Color: B- Grey | Verified Purchase

I purchased this chair for my at home office because I am now working remote. This was a good chair overall, the bottom cushion was comfortable. This chair didn't work for sitting for 8 hours straight though. It wasn't as comfortable for upper back support/ neck so this design wasn't for me. For an overall general office use, this chair would be great and has a sleek design with a nice look!
