KIVAGURU 2pcs Car Seat Covers Front Set with Waterproof Leather,Airbag Compatible Automotive Vehicle Cushion Cover Universal fit for Most (Black)

\$119.99 ~~\$179.99~~

- Adjustability: The straps used to secure the seat cover are resilient and need to be clamped during installation. The cover is suitable for almost all Sedan, Hatchbacks SUV Crossovers ,Crew Cab, Van and EVs.
- Material: The product is made of high-quality faux leather, durable, waterproof, scratch resistant.
- Compatible Airbags: The seat pillow cover has been upgraded detachable, and the side straps for fixing are almost hidden. It has enough room to stretch and will never be blocked. The back has pockets for the things you want to put.
- Waterproof and Easy to Clean: You can use a wet towel to clean the seat cover. It is very convenient. The button will not scratch. The resistance is excellent.
- Easy to Install: Approximately 25 minutes of installation. If you raise or even remove the rear seat, it is super easy for you to follow the steps in the installation guide. Then it will be a proper installation.
