ROGUE ALES BATSQUATCH TIN TACKER METAL BEER SIGN

Rogue Ales

NEW TACKER ALERT!! The shockingly spooky new tacker from Rogue Ales, dedicated to the legend of Batsquatch. Born from the ashes of Mount St. Helens, there are many tales of the Batsquatch. All are a little bit hazy on the details...which makes the truth such a juicy mystery.

Embossed aluminum sign, approximately 19" x 16.5". Four mounting holes for easy hanging. Comes with a protective poly shield.
