THAMMYAH DOLLS AND DOLL ACCESSORIES - PRE-SCHOOL PLAY DOLL - FOR AGES 3+ | INTERACTIVE PLAYTIME

- **BABY DOLL WITH DOCTOR KIT** – Doctor tools included for your little one to pretend and role play. Set includes: Doll, Talking Stethoscope, Thermometer, Needle, Medicine Bottle, Stick, and Hammer.
- **NATURAL APPEARANCE AND REALISTIC DETAILS:** Our dolls look like real babies and have intricate details like natural expressions and rightly proportioned arms and legs. Kids will love to play with the additional medical supplies. Authentic looking details will make it a real Going to the Doc Experience!
- **TRY-ME STETHOSCOPE** – Fun to play with and pretend you're the mighty doc! Actual stethoscope when pressed makes realistic coughing sounds. Perfectly sized for kids to role play and care for. With thermometer that goes into the mouth and needle for when she gets sick, and much more-you're all equipped!
- **EFFECTIVE CHILD DEVELOPMENT** – This incredible doll provides a superior alternative for pretend play - it helps in cognitive development of the child and instills in her emotions of love and nurturing. It is also an ideal way to familiarize the baby with the body parts, and to acquaint her with grooming, dressing independence, and hygiene practices with the help of what she finds in the doctor's office.
- **MADE FOR DOLLS TO PLAY BRAND** - See our other Dolls, Strollers, Playpen, etc. by clicking on the Brand Name right under the product title. Our dolls, toys, and accessories are the perfect gift for Christmas, Birthdays, or any other time!

Product Description

Do you have an intelligent little one with an endless imagination? This doctor set will introduce your little one into a new world of play and possibly a medical career. Help your little one learn more about being a doctor and the equipment they may use. This set helps your little one understand the tools that the doctor may use on them. Which in return can eliminate the fear they have with the doctor by becoming more aware of the tools that are used.

PRETEND PLAY – Pretend play is important in your child’s development. It helps your child build confidence, creativity and social skills they will carry with them forever. This set also encourages and strengthens their imagination by applying it to care for her new doll!
