Description**Product Introduction:**

Easy to Install: Clean the wall surface and dry it, then tear off the protective film and installed vertically or horizontally (left or right) under the cabinet or stick on the wall. To ensure better stickiness, stand for 24 hours.

Wide Applications and Note: Paper towel holder only fix to smooth, clean, flat and non-porous surface. Such as glass, mirror, smooth tiles, ceramic, plastic, acrylic, cultured marble, smooth polished metal etc. Cannot be used on rough surface or cement lime walls, wallpaper, non-painted wood.

The professional internal structure design ensures that the bathroom toilet paper holder is firmly installed on the wall and prevents the toilet paper holder from rotating. It is more convenient to use without any worries.

Moden Elegant Looking: Silver bathroom tissue holder is compact design, brushed nickel finish, easy to pull paper towels and replace roll. Freestanding toilet paper rack suitable for washroom, living room, lavatory, restroom, closet door, travel, camping, rv, etc.
