## WHAT IS BEAUTILOFTS?

beautiLofts is part of a new innovative salon-ownership concept in which experienced beauty professionals come together as a community, to own and operate their own individual salon businesses, under one roof. Our custom Lofts are fully furnished, so you can start running your business right away! We give you the opportunity to bring your dream of being a business owner to life—without many of the associated risks. The ability to customize your space, set your own prices, and make your own hours are just a few of our benefits. If you are an ambitious and driven beauty professional looking for increased financial success and creative freedom, bring your vision to life with beautiLofts.
