AIDRON Basting brushes Silicone Pastry Brush Cooking Brushes Baste Oil Butter Sauce Marinades for BBQ Grill Barbeque Kitchen Baking Pastries Cakes Desserts Meat, Heat Resistant, Dishwasher Safe

- [FOOD GRADE SILICONE, HEAT RESISTANT] The basting brush is made of premium silicone. The silicone basting brush is food grade, so you can use these silicone basting brushes with no worry. The pastry brush is able to hold high temperature up to 446°F. The cooking brush won't get melted or shrunk when spreading sauces for hot food. the brush handle has a core inside which keep the handle at a good straight shape.
- [ONE-PIECE DESIGN] The upgraded silicone basting brush set is much better than other traditional baste brushes. With all silicone parts perfectly integrated, the brush head won't fall off and the silicone bristles won't shed off into your food during basting. The silicone pastry brush will never get rusty. Due to the seamless design, no residue will be stuck on the oiling brush. The handle provides you a comfortable grip.
- [IDEAL FOR BASTING AND PASTING] The silicone basting brush hold a perfect amount of sauce in every single dipping, while distribute most sauce onto the food. Silicone bristles are of high tensile strength which helps you to evenly baste and effortlessly spread oil, butter, sauce, marinades. The bristles are so flexible that they gently glide over the surface without deflating the food or scratch your pan. The baking brushes are perfect for pasting rolls, cakes, pastries and more.
- [EASY CLEANING AND MAINTAINING] The pastry brush can be hand washed in soapy water. You can also throw the kitchen basting brushes into dishwasher. After being cleaned, all grease is removed and the pastry brush looks brand new. The cooking brushes dry fast in the air and remain no residue nor odor! The silicone basting brush won't become stiff even you leave it aside for a long time. These basting brushes set can be recycled in using for years and will certainly save you a lot of money!
- [MULTICOLOR, SATISFACTION GUARANTEE] The large BBQ basting brush with long handle is perfect for barbecue use, preventing your fingers from getting burn by heat. Use the differently colored baste brushes for different sauces. No cross-contamination issue! You can also give the extras as gift to friends. Get this set of basting brushes at right now with no risk. If anything shorts of your expectation, just contact us. We will offer a replacement or refund with no reason asked.

Product Description

If you choose old type basting brushes like nylon bristle brushes or those detachable brushes, you will be troubled by below issues.

- Bristles come off into food.
- Brush head separates from the handle.
- Hard to clean and the brush is gunky.
- Hard to dry and odor remains.

WHY CHOOSE THESE SILICONE BASTING BRUSHES

The basting brush material is 100% food grade silicone.

The basting brush resists heat up to 446°F: no melted/discolor issue.

The basting brush handle has internal core: keeps shape and increases durability.

One-piece design: no shedding bristles, no falling head.
Integrated and seamless: there is no crevice for bacteria to build up.
The basting brush has hanging hole: space saving and easy access.

Perfect density of bristles: hold an amount of sauces.
Silicone bristles: distribute most of sauces onto food without waste.
Flexible bristles: allow you to baste evenly with no pressure. The food won't be deflated.

The silicone basting brush is dishwasher safe - Cleaning is so easy.
The basting brush can be thoroughly cleaned and dried - No residue remains.
The basting brush can be recycled in using for a long time - Save money.

WIDE APPLICATION

Spread melt butter, oil, sauce, marinades and more.
Coat pans with oil, brush cakes, pastries, desserts, meat.
Can be used in kitchen cooking, baking, BBQ and more.
Don't miss this basting brush as you won't find other basting brushes with the same premium quality at this unbeatable price.
