Description

Product Introduction:

🍰【Perfect Kitchen Assistant】 You will get: an egg beater, which is the best choice for your kitchen tool.

🌀【Easy Baking and Chopping】 The Kitchen mixer provides 3 regular speeds and turbo-charging function, which meet all your mixing and chopping needs. The Portable mixer starts from low speed and gradually speeds up when turning into each speed, effectively reducing splash.

🌀【Easy Installation and Cleaning】 You can easily install various parts of the hand mixer and garlic chopper. Accessories can be cleaned with water or dishwasher (do not immerse the motor part in water).
