Outlet works great, only problem was the outlet arrives with no instructions, took awhile and some research to figure what app it used to be setup, ended up going to back to amazon site and read small print deep in the item description to find what app controlled it. Result was Smart life app.

★★★★★ **Formidable!!!**

Reviewed in the United States on May 31, 2019

Verified Purchase | **Early Reviewer Rewards** (What's this?)

Es muy práctico, puedo manejar hasta 8 equipos o aditamentos al mismo tiempo. Simplifica mi interacción con la TV, Deco, DVD y otros equipos. Muy buena adquisición. Lo más importante que el voltaje es múltiple 110 a 240 voltios, eso es formidable porque lo puedes llevar en tus viajes. Lo puedes manejar por voz o directamente desde tu iPhone o Smartphone desde donde estes.
