What to Expect

Product Overview

EuroTech doors offer the look and feel of a true wood door, backed by a unique assembly that offers superior performance and durability. Inside each door is an extruded polystyrene rigid foam core, known for its high compressive strength, low moisture absorption, and its resistance to decay. Layers of aluminum sheets prevent moisture from getting inside the door, and a steel-reinforced Mahogany LVL construction completes the revolutionary design which offers remarkable insulation and resistance to warping. Our flush doors are versatile and can create the perfect entrance for any modern project.

- Modern, flush, mahogany door with Euro Tech for superior performance
- Pre-finished with finest European water-based finishes for a fine furniture grade look and protection against harsh weather
- Heavy duty ball bearing patina coated brass 4 in. hinge with a steel pin with straight angles
- Pre-hung and bored, ready to be installed immediately once received
- Right hand inswing unit: the door opens to the inside with the hinges on the right
- Double bored with a 2-3/8 in. backset
- Pre-hung, ready to be installed immediately once received
- 66-1/2 in. x 82-1/4 in rough opening is required for ideal fit
- 2 in. brickmolding made of the finest Mahogany included
- 1-year limited warranty on door unit and glass

THIS IS QUALITY

May 5, 2022

Recommended

I am familiar with the brand Glenview doors, and this product is always quality as far as how it is finished and built. This is a brand i continue to buy as i know i can trust the composition. Not to mention, its one of the better looking modern doors on the market

Great Modern Door

Fantastic quality including pre-finished wood surface. Easy to install. Highly recommend this European Modern front entry door. I have been in building industry for about 20 years and this is one of best front doors in the market!
