- Just by simply pressing the lid with different seconds to perfectly control the precision of the grinding. Saves time and effort compared to traditional hand coffee grinder. Through

MENU

original rich aroma and oil of the coffee bean.

- With smart design, this coffee grinder takes up minimum counter space and can be easily stored in cupboards and drawers. Smaller and more portable than hand coffee grinder. Especially, a hide-away cord storage design at the bottom of the grinder stores the cord is neat and out of sight when it is not in use.

Please note that due to limitations in photography and the inevitable differences in monitor settings, the colors shown in the photography may not correspond 100% to those in the items themselves.

PROMPT AND CARING CUSTOMER SERVICE

Highly value customers' satisfaction and tolerate zero quality issue. If you're not thrilled with its performance, please let us know.
