MORE INFO

[Stainless Steel Lunch Box] Say goodbye to the plastic bento box , with this stainless steel kids bento box , you can now enjoy the lunch or snacks in a much safer, sustainable and environmentally friendly way, whether at school, in the office, during sports or make a picnic outdoors in nature.
 [Premium Food Safe Materials] Made of high quality 304 food-grade stainless steel, the lunch box kids are very tough, plastic-free and BPA-free, healthy and durable. The brushed treatment gives the bento box a classy look and a smooth edge, it also helps to prevent scratches on the outside.
 [Leakproof Stainless Steel Bento Box] Thanks to the silicone sealing ring in the lid and the closure bracket, the lunch box containers can be closed securely, more importantly, the lunch box can also be easily opened and closed, even for children. Also, it conveniently fits in lunch bags and backpacks!
 [Accessories & Compartments] The stainless steel lunch box comes with steel spoon and fork, the bento box fits food you need for a day of work. It is also suitable as a snack box for children.
 [Size & Portable] Large capacity 1800ml. The dimension of 8.9 x 6.7 x 2.9 inch makes it portable and easy to carry. Suitable for kids to school, adults to work, exercise, camping and travel or anywhere. Ideal gift for kids and friends.

FURZAPPER Lunch Box Stainless Steel Strap Cutlery Set Sealed Lea

I recently got my child another lunchbox that said "it can fit an entire lunch" and I was thrilled, my child is far from a teenager but his appetite is pretty close to it. I received this tiny little box and stared at it in disbelief, I could only fit a few items and I knew that would not be sufficient to last him until the end of school
