## Superapeman video monitors with Camera and Audio, 1500-ft Long Range, Secure Connection, 2-Way Talk, Soothing Sounds

- Get best views and intelligent feel alert: remote control pot, tilt, and zoom, with clear monochrome night vision to maintain a better eye baby; if the baby wakes up, crying or changing room temperature, the intelligent alert appears in the preset range outside
- · When privacy is the most important: video and audio are transmitted by security DECT technology, not WiFi, so other devices cannot connect to KX-HN4101W baby camera monitoring system
- · Comfortable baby in another room: listen with two-way voice and talk to your baby; through the game gentle calm baby, soothing sound like white noise or cradle
- · Scalable, portable baby monitor: compact system packaging is neatly packaged in weekend bags, setting up within a few minutes, no WiFi; up to 4 cameras, grow with your family

## **Product Description**

Superapeman Baby Monitors feature high quality baby monitoring technology to provide parents peace of mind and an excellent user experience. The portable parent unit can move around with you, enabling you to hear, see or talk to your baby no matter where you are in the house. Comfort your baby with the sound of your own voice by using the two-way talk back system.
