- **[Ergonomic Design]** With human-centered ergonomic structure design, the user can be fully mobile whether you are playing games, working on a computer or having a meeting in the office. This design can effectively relieve back pain caused by prolonged sitting, bringing you a very wonderful experience. Seat Dimensions: 18.5"x19.76" / Backrest Dimensions: 16.37"x16.81".
- **[High Quality Material]** In order to enhance the experience of customers sitting on the chair, we use better materials to improve the comfort and stability of the chair. Premium mesh surface with smooth texture and better breathability.
- **[Thicker Cushion, Double Comfort]** Compared with other ordinary office chairs, the cushion of this office chair is made of high-density elastic sponge, which is softer, thicker and more comfortable, and is covered with breathable mesh. The three-layer structure design not only ensures the stability and durability of the seat, but also makes you feel more comfortable in daily use.
- **[Freely Adjustable 360 Degree Movement]** The seat height can be adjusted by the handle under the seat to meet desks of different heights. Additionally, you can lean back to relax, change your sitting position, and adjust the incline by twisting a lever under the seat. The office chair adopts smooth rolling casters, 360° horizontal rotation without resistance, quiet, good material will not hurt the floor when moving.
- **[Easy to Install]** Our chairs are ready-to-assemble with all hardware and necessary tools, no extra tools required. Follow the installation steps to get a comfortable working office chair in 10-15 minutes.
