Buyer Protection

- ☑ Full Refund if you don't receive your order
- ☑ Full or Partial Refund, if the item is not as described

- Coolmax ice machines water inlet is made of food-grade PP material, and the shell is made of high-quality stainless steel, which is safe, healthy and durable.
- Equipped with a high-power metal cooling fan, beneficial to improve the efficiency of ice making, and make the ice maker not easy to age and prolong the service life.
- Equipped with a transparent visual flip window, so that you can clearly see the whole process of ice making.
- The operation is simple, one key to start, the light will light up when the ice is full or there is no water. It only takes 10-18 minutes to make 24-30 ices at a time.
- The 2.2L large-capacity ice maker does not need to add water frequently, freeing your hands. The ice output in 24 hours is 33 pounds, which is suitable for home, dessert shops, cafe and small supermarkets etc.
