#### WE ARE LOWCOUNTRY ORPHAN RELIEF & MIDLANDS ORPHAN RELIEF

The mission of Lowcountry Orphan Relief is to provide support services and aid to meet the needs of Lowcountry children identified as at-risk or suffering from abandonment, abuse and/or neglect.

The vision of Lowcountry Orphan Relief is that no child should be without the basic necessities in life, regardless of their life circumstances.

We believe that all children have the intrinsic value and deserve to be nurtured, loved and protected. They are entitled to have caring adults who help them develop to their full potential.

Together we have an opportunity to contribute to our children's future, be part of an enduring effort that promotes safety and the well being of our children, providing them with the necessities of life and welcoming, safe environment.

## WHAT OUR VOLUNTEERS ARE SAYING

My experience at each event has been special and moving. The children are so happy to be there and they love that they have someone to spend the day with. I have met so many amazing kids through this program. You think you are there to help them, but you find that they make a huge impact on your life!

**Tina Arnold**  
Volunteer

I have been a volunteer with LOR for 2 years. I was looking for an organization that, at the core, cared about children and reflected that in their outreach, workers, and volunteers. The LOR staff are friendly, caring, and always make the volunteer feel they are the intricate part that helps the organization fulfill its goals. We all work together for a common goal; to provide clothing and supplies for the children. In turn, my wish is that the child will feel love and hope when they open their bag from LOR. I would highly recommend anyone that wants to invest in the most precious resource of our future, the children, to find a way to give of your time or donations to LOR. It is a rewarding volunteering program not only for your heart but also by blessing others.

**NOTICE**

If this is your first time requesting services from Lowcountry Orphan Relief or Midlands Orphan Relief, please contact [info@lorkids.org](mailto:info@lorkids.org) to receive information about order placement and guidelines.

**DISCLAIMER:** Orders placed to our Distribution Center are for children who are at-risk or suffering from abuse, abandonment and/or neglect. We **WILL NOT** process an order directly from the biological parent of a child. All orders must come from an agency representative who can legitimize either the child's risk for abuse or a founded case of abuse. As a representative of the child, you are responsible for ensuring the child meets these requirements, as we are relying upon your professional opinion. Please visit the [Children Trust of South Carolina](http://www.scchildren.org) website for a list of "Child Abuse and Neglect Indicators" should you need assistance in determining if a child is at-risk for abuse: <http://www.scchildren.org>
