- [Sharp Steel Blade] Fixed knife D2 blade steel sharp knife for ultimate precision cutting with solid toughness and excellent edge retention. The surface is mirror polished, with hardness up to 59-60 HRC. Perfect for survival camping, bushcraft gears and drilling cutting piercing batoning, and other detail work.
- [Ergonomic Full Tang Design] G10 is one of the best handle materials you can use on a knife that provides superior grip in wet or dry conditions. Full tang knives offer more balance and stability. They also tend to last longer with heavy-duty cutting than partial tang knives.

- [Durable Survival knife] Premium quality fixed blade hunting knife with sheath is tarnish proof and rust-resistant to serve you for many years. A trustworthy knife that ensures excellent performance in the time of need, from survival to wood- cutting, all can do.
- [Hunting Knives with Leather Sheath] Weight 5.9 oz, length: 8.66"; The knife includes a high-quality leather sheath. An integrated belt loop allows you to carry the survival knife securely and safely on your belt.
- [Applications] Bushcraft knife is developed exclusively for outdoor activities such as hunting, camping, fishing, and hiking, a perfect knife for your outdoor adventures. Our knife with genuine leather sheath and black gift box package is the perfect gift.
