Listing:

The screenshot shows a product listing on the AliExpress website. The main product is a 1:72 scale alloy motorcycle model, displayed in its packaging. The price is listed as US \$80.00, with a promotional banner indicating a US \$3.00 off coupon. The quantity is set to 1, with only 2 left. Shipping is free from China to the United States via AliExpress Standard Shipping, with an estimated delivery date of July 07. The seller is ABCfigures Store, which has a 99.7% positive feedback rating and 1158 followers. The listing also features a 'Recommended For You' section with three other products: a globe, a figurine, and a portrait, with prices of US \$36.62, US \$146.91, and US \$29.78 respectively. The page includes navigation links for 'Store Home', 'Products', 'Sale Items', 'Top Selling', and 'Feedback'. The store name 'ABCfigures Store' is prominently displayed at the bottom of the listing area.
