Just purchased them today and I like how simple and easy they are to use. Will update this later on but so far so good and the color white compliments well with the toilet.

Easy to Squeeze

Reviewed in the United States on April 27, 2021

Neat gadget, easy to use, eliminates frustration of having to manually roll up the tube each time as one uses the toothpaste. Two units per package, one white, one black. Value priced, prompt delivery.

CheckMate

Completely useless

Reviewed in the United States on October 23, 2021
[Verified Purchase](#)

This came in very quickly. But just as quickly I was able to tell her how useless they were. The pieces just slid apart with no effort so if you turned it the wrong way you would lose pieces of it. Then when I put anything in it the craftsmanship was so weak that it would not hold the tube whether it was toothpaste or lotion or anything else! As soon as you went to turn it to get any product out it just let go of whatever it was holding. Even with a completely full tube of toothpaste I was able to get nothing using this product!
