Keeps the little things together

Reviewed in the United States on September 22, 2021

Size: 10-Inch Black [Verified Purchase](#)

I originally bought this lazy susan for the refrigerator, but am instead using it on my baking supplies pull-out shelf. It holds all the smaller items that tend to end up at the back and sometimes get pushed off the shelf. The rim prevents that happening and the shelf is much better organized now.

The Best that we have tried.

Liked the raised sides that don't allow spices to fall off. We ordered a second item as soon as we organized the first - amazing!

This is exactly what I was looking for! I have small cupboards and this fits perfectly and turns smoothly. I ended up buying a second one as well.

Small pantry organization solution

Perfect for pantry organization. Now I don't have to pull everything out to get what's in the back.

These are the BEST things ever!!!

Reviewed in the United States on October 6, 2021

Size: 12-Inch Black [Verified Purchase](#)

I LOVE to have things organized and these fit the bill. They are ready to go right out of the box. At first I just ordered one but after getting it and saw how perfectly it fit in my cabinets I ordered 6 more. I love how smoothly they turn and love the higher sides so things won't fall out. They are 12" in diameter. I highly recommend them. They are worth the money.

Great use for corner

Reviewed in the United States on April 7, 2021

Size: 10-Inch Black [Verified Purchase](#)

Lazy Susan's are great. They help keep your condiments, creams, any form of bottles in the most sturdiness ways. Great for corners, helps you see what you have with just one turn.
