- Allows blades to bend and flex without breaking.
- Designed to minimize friction and heat build-up while cutting through the widest variety of metal materials.
- Best for use with thick metals, metal demolition, fire and rescue.

Please note that due to limitations in photography and the inevitable differences in monitor settings, the colors shown in the photography may not correspond 100% to those in the items themselves.

**PROMPT AND CARING CUSTOMER SERVICE**

Highly value customers' satisfaction and tolerate zero quality issue. If you're not thrilled with its performance, please let us know.
