Compatible Phone Models	Google Pixel, Iphone
Connectivity Technology	Usb
Special Feature	Fast Charging
Connector Type	USB
Brand	WARMLIFE

About this item

- Quick Charge:** The dual USB car charger with a total power of 48W can quick charge 2 devices at QC3.0 speed at the same time on 2 USB ports, and charge from 0 to 60% within 30 minutes, providing compatible devices the 3 Times charging speed.
- Universal:** This fast car charger is compatible with any Android and iOS mobile devices and supports super fast charging. The car charger adapter will charge your mobile device at the maximum charging speed your device supports.
- Metal Material:** The solid full zinc alloy body features scratch resistant, good heat dissipation effect, Upgrade metal car phone charger will not overheat at high temperature, long service life, safer than plastic car chargers. Note: You may feel that the metal shell is easier to get hot, which actually proves that the metal body is better than the plastic body in terms of external heat dissipation, thereby reducing the temperature of the internal chip and extending the life.
- Multiple Safety:** The 12V car quick charger has multiple protections to prevent large current overloads when the car starts, and can also intelligently reduce the current after the device is fully charged to prevent overcharging, thereby protecting the safety of the device.
- Service:** If you have any questions about cigarette lighter usb charger, please feel free to contact us. Our reliable customer service will ensure reply within 24 hours and provide you with appropriate solutions.
