About this item

- **Deep-Clean All Floors:** With a 100,000 RPM brushless motor and VortexAir Technology, this vacuum generates 130AW / 23kPa suction power. Easily remove dust, litter, and large debris from carpet and hard floors instead of pushing them forward
- **Intelligent Auto Mode:** Dynamic Power Control (DPC) Technology automatically adjusts the suction power based on the level of debris detected by the infrared sensor, eliminating guesswork and optimizing battery life and runtime
- **Long Runtime:** Vacuum for up to 40 minutes on power level 1. With an average runtime of 25-40 minutes in Auto Mode, you can easily vacuum the whole house, covering up to 1500 sqft
- **4-Stage Filtration:** Filter 99.99% of 0.3-micron particles with sealed filtration, effectively reducing the possibility of secondhand pollution and allergy symptoms by releasing clean air. The washable and replaceable HEPA-type filters keep the vacuum in good shape, protecting the suction power efficiency
- **Multi-Functional:** Pair accessories with the cordless, lightweight design and convert the vacuum into a handheld, enabling you to clean every crevice and corner. Six LED lights illuminate your floor path, while the dust bin can be emptied with one click
- **Replacement Batteries & Filters:** Search B09V25N874 to find official Levoit VortexIQ 40 vacuum replacement filters. Search B09V1DMX2G to find official Levoit VortexIQ 40 vacuum replacement batteries
- **Accessories & Warranty:** Accessories include a 2-in-1 Dusting Brush and Telescoping Crevice Tool. For your convenience and satisfaction, all Levoit products come with a 2-year warranty
